## EXTRACTIVE COMPANIES' PAYMENT TO THE GOVERNMENT IN FISCAL YEAR 2019/2020

### Total Payment by Extractive Companies in the Fiscal year 2019/2020

### Government Revenue from Extractive I Companies from 2016/17 to 2019/20

### What is TEITI

Tanzania Extractive Industry Transparency Initiative (TEITI) is the Tanzania Chapter of the global Extractive Industry Transparency Initiative (EITI) that set Standards of Transparency and Accountability in Extractive Industry (EI). Extractive Industry (EI) companies are those companies engaging in the extraction of minerals, oil, and gas.

### Why TEITI

TEITI strives to enhance transparency and accountability of payments made by Extractive Companies and Revenues received by the Government from the Oil, Gas, and Mining Sectors. Furthermore, TEITI aspires to enhance Public awareness by publishing the payments and the revenues accrued from Extractive Industries.

### Overview

The 12<sup>th</sup> TEITI report which covers fiscal year 2019/2020 provides an overview of the Extractive Sector in Tanzania along with the latest Policy and Regulatory developments and reconciliation of Company payments and Government receipts from July 1, 2019, to June 30, 2020.

The reporting entities participated in this reconciliation included extractive companies (dealing with mining, oil, and gas), and Government Agencies. TEITI Committee meeting approved a Materiality Threshold of **TZS 1 billion** of total Government receipts reported by the three Government Agencies in the fiscal year 2019/20. As a result, a total of forty (40) companies met the materiality threshold. The companies scoped includes three (3) State-Owned Enterprises (SOEs). After the reconciliation exercise, the final payments made by companies was TZS 1,220,494,529,705.80, and the government revenue was TZS 1,220,455,246,248.63, creating a discrepancy of TZS 39,283,457.17 representing 0.003% of the total reported government receipts. The contribution of these forty (40) reporting entities amounted to 89.8% of the total government revenue collected from the extractive companies in 2019/20. Hence, all forty (40) companies were required to fill and submit reporting templates. All companies submitted filled templates within the given time.
